FISCAL ANALYSIS

Assumptions:

1. This bill has no fiscal impact to the state.

Effect on County or Other Local Revenues or Expenditures:

1. This legislation allows a city or town to establish a City Court of Record.
2. Local governments provide funding for these types of courts. If a city or town establishes a City Court of Record there would be costs involved because of the physical equipment needs identified in the bill under Section 6 under 3-11-206 (iii) as required in Section 3 (1). The costs of this equipment is unknown but it is anticipated it would not be substantial. If this was a mandatory requirement to establish such a court in each city and town statewide it would be substantial. There is no significant fiscal impact to local governments.
